24TH SEASON

OUR MISSION

Culver Strings' mission is to enrich the culture and music life of our and nearby communities, presenting world-renowned, as well as young aspiring musicians as soloists, educational, outreach and family concerts.

I really want Culver City to shine and be noticed by the quality and professionalism Culver City Chamber Orchestra has to offer. With all that said, I think we do a real good job of bringing the top stars of musicians to Culver City.

- Arlette Cárdenas
